

The Gamers' Emporium
Family Friendly Language Policy

- 1) This store is a family-friendly store and we would request that customers moderate their language so as not to cause offence.
- 2) Customers should avoid swearing, or using discriminatory language whilst in store, regardless of whether children are actually present.
- 3) Customers should avoid discussing topics of a sexual or explicit nature whilst in store, regardless of whether children are actually present.
- 4) Customers who are unable to comply with 1-3 above will be given a warning and reminded of the scope of this policy by the member of staff on duty.
- 5) If a customer persists in using inappropriate language after receiving a warning, they will be asked to leave the store, and will forfeit any entrance fees paid that day.
- 6) If a customer is asked to leave the store due to this policy, they are welcome to return to the store on the following day.
- 7) If a customer persistently refuses to comply with this policy, the management reserve the right to extend the duration of the ban as required.
